#### Evidence Collection

On Thursday, March 24, 2016, I received an email from Homicide Sgt. F. Garcia requesting that I assist Harris County Assistant District Attorney Angela Weltin in collecting and submitting items of evidence related to this case to the Texas Department of Public Safety Regional Crime Lab. Items to be collected were known hair and DNA (swab) samples from the defendant, Sandra Melgar. Additional items to be submitted included known hair samples, tape lifts, All items to be submitted will be listed in an additional supplement.

On Wednesday, August 03, 2016, ADA Weltin notified me that hair samples would not be collected at this time, only a DNA sample. ADA Weltin advised the defendant's attorney, Allison Secrest, would be the contact person to arrange a time and place for the collection. Through email contact Allison Secrest and I were able to arrange to meet at the District Attorney's office on Tuesday, August 16, 2016, at 10:00 a.m.

On Tuesday, August 16, 2016, at approximately 10:00 a.m., I met Ms. Secrest and Ms. Melgar at the District

**Narrative**

Attorney's office. We were escorted to a private conference room where I conducted the collection. The only persons present during the collection were myself, Sandra Melgar, and Allison Secret. Sandra Melgar signed a Voluntary Consent to Give Specimen form for the collection. Attorney Secret and I signed as witnesses. Utilizing sterile cotton tipped applicators I obtained the swab (**item SM1**) and placed the swab in a new clean box which was secured in a sealed envelope. I then departed the DA's office and returned to the Crime Scene Unit office where I secured the item in evidence locker #C35 pending disposition.

**item #SM1, swab - Melgar, Sandra (08/16/16)**

The consent form has been converted to digital format and imported into the E-Files section of this supplement.
